

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to Republican candidates in certain areas is yet another example of a powerful media group abusing its privileged access to the public airwaves.

I am just one citizen, with one voice and one vote. With that, I should be completely equal to everyone else. But actions like this drastically imbalance the playing field, and it is wrong. I WANT A FAIR ELECTION! How many times do we have to say it? Why are we having to fight so hard for it in the country that is supposed to be the world's model of democracy?

Please help to stop the rampant hypocrisy in the US today by ruling that it is clearly a violation of the law for Pappas to use the public airwaves to promote candidates from only one political party.
Thank You.
